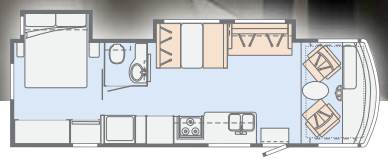
INTENT

The Class A motorhome
redefined

WINNEBAGO

On the Cover: **Indigo Deluxe Graphics**
Interior: **Mystic with Glazed Kona Cabinetry**



This brochure features the **Intent 30R Floorplan**

Smartly styled, superbly functional, and supremely affordable

The all-new Winnebago® Intent™ is a re-imagined Class A motorhome that gives you the lifestyle you have been longing for at a price that meets your budget. From the moment you step inside, you'll realize the Intent is different. Narrow corner pillars in the cab offer incredible views and enhance safety, thanks to better visibility while driving. Complete with an abundance of storage space and an attractive dining and lounge area, the Intent is available in four fresh floorplans. Step outside and enjoy the well-appointed Tailgate Package under an easy-to-use powered patio awning. Refill or exchange LP cylinders without driving the motorhome to a filling station. The destination is up to you – after all, you're the proud owner of the all-new Winnebago Intent.

A full-wall slideout or double slideouts expands the lounge area and adds useful living space to each of the four Intent floorplans. The comfortable dinette (26M) or dinette and sofa bed provide comfortable seating for meals, games, or enjoying a movie on the satellite-system-ready 39" HDTV (32" 26M). In all floorplans, swivel cab seats, plus the multi-position cab table, provide additional seating options for family and friends.

Intent | Galley

The standard three-burner range with oven and touch-controlled microwave make feeding the troops a breeze in the Intent. Attractive countertops with a decorative backsplash are ideal for food prep, while the stainless steel double sink helps make cleanup a snap. Every Intent features a pantry for convenient storage, as well as a powered roof ventilator fan to keep the fresh air flowing.

Intent | Bedroom / Bathroom

Sleeping options abound in the Intent. The private rear bedroom serves as a comfortable sanctuary with a walkaround queen bed (with CPAP shelves on each side), plus a 32" HDTV for winding down at the end of a busy day. The powered StudioLoft™ bed above the cab, bunk beds (31P), and convertible dinettes and sofa beds provide additional sleeping capacity in every floorplan. Every Intent also features a spacious shower with flexible showerhead and textured glass door– a place to relax while washing up after the day's adventures.

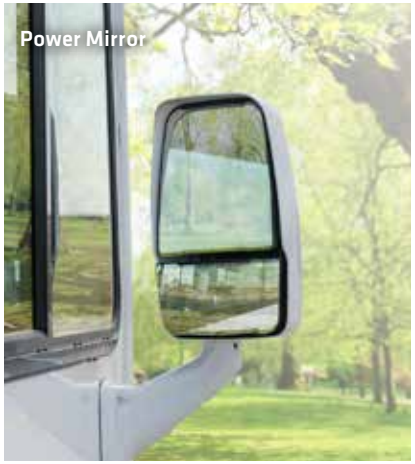
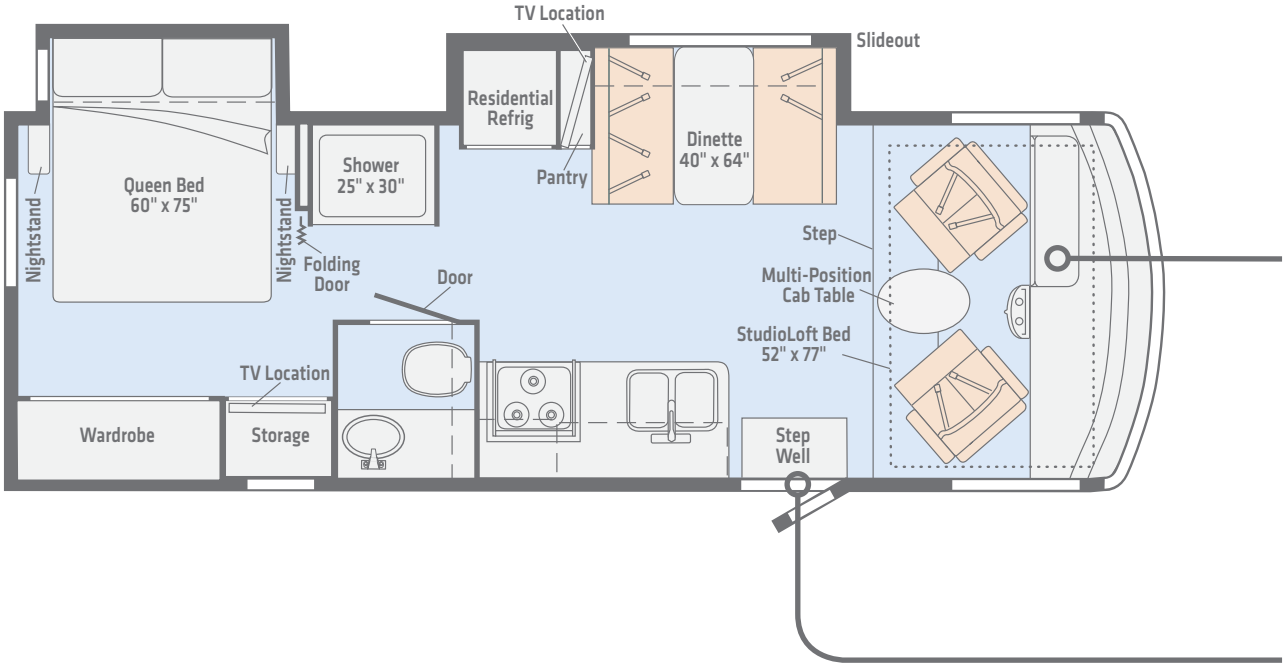
The Intent makes it easy to make yourself at home in the cab. Winnebago's exclusive Versa Cab Seats offer optional seat base placement with enhanced range of motion, adjustable height, and lumbar controls for superior comfort while driving. When parked, enjoy easy rotation towards the lounge to transition the seats into the integral part of the livability and functionality of the coach. The Radio/Rearview Monitor System with a pivoting 6.2" LCD color touch screen, rear color camera, and Bluetooth® capability, plus power mirrors with defrost, make piloting the Intent easier and more enjoyable. Dual-mode climate control, a dash workstation with USB and 12-volt power supply are also standard equipment on every Intent, as is the powered MCD blackout front shade to enhance your privacy while in camp.



The premium high-gloss sidewall skin and tinted windows highlight the fresh look of the Intent everywhere you go. In camp, deploy the powered patio awning with energy-efficient LED lighting, then kick back and enjoy the standard Tailgate Package which features an exterior refrigerator, sink and faucet, HDTV, and more.

NEW 26M

This double slideout includes sleeping accommodations for up to five in a compact, easy-to-drive coach that's as functional as it is good looking.



Length 26'10"
Ext. Storage (cu. ft.) 57

The Padgetts

Heath and Alyssa Padgett answered the call of the open road four days after their wedding in 2014. They have never looked back. Their first film, ***Hourly America***, documented Heath's quest to work an hourly job in all 50 states in one year. In 2016, the Padgetts upgraded their RV to a Winnebago Brave,® continued growing their freelance business, and expanded their vision to help others who wanted to live and work full-time on the road.

You can follow their journey at *WinnebagoLife.com*. You'll also find hundreds of other great stories from GoLife's outstanding contributors, along with how-to articles, gear reviews, RVing tips, and much more.

36-month/36,000-mile limited warranty on structure[7]

FOOTNOTES

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2. The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
3. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
4. Capacities shown are tank manufacture's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
5. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
6. See separate chassis warranty.
7. See your dealer for complete warranty information.

NA Not Available

Not all items available in combination. See dealer for details.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice.
